FRENCH MANEUVERS.

Opinion of a German Officer Regarding Them.

New York, September 22.—Navassa island, a guane deposit off the coast of Hayu, had Berlin, September 22.-General Von Arnim, who has returned from the French mananother chapter added to its eventful hiseuvers, being the first German officer attory yesterday, when it was sold under the bammer in this city for the benealt of the creditors of the company that owned and worked at for years. Under an order of the court, Peter F. Meyer sold the entire property, franchise and privileges of the Navasia Phosphate company to Eugene L. Richards, a lawyer, representing John B. H. Jefferson and Wyatt Owen of Baltimore, for \$25,000. The sale was a great surprise to some of the stockholders.

Muthles, intolerable suffering and international complications have marked the island's history. Snow-white, it rises, conshaped from the Caribbean sea. No vegention, even of the scansiest kind, protected those who labored on it. At one place only could a landing be made, steep cliffs facing all Re gides. Case des Irols, Hayt, sevenytwo miles away, is the acrest tand, and ingolation, profiless sun and heart-breaking labor drove hundreds of the workmen on the island, in times past, to insanity, murder or suicide.

Once on the teland there was no hope of tory yesterday, when it was sold under the tending them since 1870, has been interviewed
